James Swartwout is Associate Executive Director at the American Osteopathic Association. He is directly responsible for the Accreditation, Research, and Education activities of the AOA. He also assists the AOA in strategic planning, numerous internal projects, and external liaison. Before his current position, Mr. Swartwout was Deputy Director of AOA Education for four years and Secretary to the AOA Council on CME for three years. Before his employment at the AOA, he worked 16 years at the American Medical Association in the areas of socioeconomic research, quality assurance and long range planning. Mr. Swartwout is a published author with articles in JAMA, medical specialty journals and quality assurance journals.
